

Camp Bear Track
PO Box 125
Drasco, AR 72530

Camper's Name _____
Session (s) _____
"Camper Profile" form

Please return this completed questionnaire by April 1st. Include a camper snapshot or school picture. Write your camper's name and session(s) attending on the back of the photograph.

Parents: Please find the time to answer the following questions about your camper. This information will be confidential to the directors and the counselors. We have found that the more we know about your camper before arrival, the better we are able to provide a successful camp experience for him or her. **Even for returning campers, it is important to answer these questions.** Your camper certainly changes from year to year and we have new staff members each year. **This "introduction" of your camper to the counselor staff is a tremendous resource.** As parents, you want what is best for your child. As Camp Directors, we want to be your partner and give your camper a happy, successful experience. Use the back of this form if you need more room.

To Parents of young or "first time away" campers - If this is the first extended stay away from home for your camper, we wish to suggest you "review" the basic hygiene habits and keeping their clothes and "stuff" together. Counselors do a wonderful job with the campers - but there is a certain expectation of independence also. We appreciate your efforts here.

We thank you for entrusting your child to our care. We are so excited about this summer!
- Olivia & Jack Dowell

1. What do you hope your camper will gain from this camp experience? _____

2. Do you have any special concerns about your camper being away from home? If so, please explain.

3. Please relate any other information about your camper concerning his or her personality that you think would be helpful to us. _____

The information below will help all of us "learn about" each new camper before opening day!

CAMPER INFORMATION & FAVORITES: Complete all that apply to your camper.
